

In the Claims:

1. (Original) A money holder comprising:
an elastic loop of a size to securely fit around and hold currency;
a charm attachment device attached to the elastic loop; and
a charm attached to the charm attachment device,
wherein the money holder is adapted to fit around the currency.
2. (Original) The money holder of claim 1 further comprising a covering surrounding the elastic loop.
3. (Original) The money holder of claim 1 wherein the charm attachment device allows for a charm to be removably attached to the charm attachment device.
4. (Original) The money holder of claim 1 wherein the charm attachment device is crimped onto the elastic loop.
5. (Original) The money holder of claim 1 wherein the charm is selected from the group consisting of a jewelry piece, a flashlight, a key-holder, a key, a clip, a security device, an electronic tracking device, and combinations thereof.
6. (Original) The money holder of claim 1 wherein the elastic loop comprises at least one side member and at least one elastic member.
